## COMPASSION THROUGH THE CRISIS

*2021 Annual Conference*

September 21-23, 2021 | Virtual Event

## Compassion Through the Crisis: Cultivating Resiliency and Overcoming the Unexpected

Join the Nevada Coalition to End Domestic and Sexual Violence (NCEDSV) for a 3-day virtual conference.

2020 was the year that turned the world upside down. It taught us how to live, love and care for others in new, and often more challenging ways. While we can find relief in the new year and what it has brought us, this year's conference reflects on what we learned in the last year, including new ways to advocate for survivors, lessons we learned while serving our communities, bringing compassion to the crisis and learning the power of resiliency.
