

NCEDSV

Nevada Coalition to **END** Domestic and Sexual Violence

HANGING OUT OR HOOKING UP: A Public Health Priority

Training Overview:

The workshop is designed to increase the healthcare providers' knowledge and understanding about young adult relationship abuse, mandated reporting, and incorporating evidence-based and trauma-informed approaches in educating your adolescent patients about abuse prevention and promoting healthy relationships.

Participants will explore ways to improve services and increase the safety of their teen patients by learning how to conduct an assessment, educate, support, and provide appropriate resources and referrals to community-based advocacy programs.

Educational materials promoting healthy relationships will be provided.

Facilitator: Judy Henderson, MEd. Mgt. Training Coordinator, NCEDSV
