**JOIN US FOR AN IN-DEPTH
TRAINING ON COERCED DEBT
AND FINANCIAL ABUSE
IN NEVADA.**

Serena Evans
Policy Director
Nevada Coalition to End Domestic
and Sexual Violence

This training is designed for victim advocates and direct service providers and will build foundational knowledge of coerced debt and financial abuse, including how to screen for these issues in a trauma-informed way. Participants will receive a clear breakdown of AB250, learn how coerced debt relief works in Nevada, and explore best practices for financial advocacy and referrals. The training will also highlight the Financial Empowerment Advocacy Program at the Domestic Violence Resource Center in Reno, NV, offering real-world examples of how financial empowerment can support survivor safety and stability.

Participants will leave better equipped to identify coerced debt, advocate alongside survivors, and connect clients to meaningful financial and legal resources.
